P.T.O

:2:

The University was already informed under references 1st, 2nd & 3rd cited to all the Principals to conduct online classes and to submit the attendance particulars of all the students through URL link is also considered for examinations and all other purposes.

All the Principals are also instructed to conduct online classes to the students regularly. Online Students attendance will be considered for calculation of attendance and for all other purposes here after. If any college has not conducted online classes to the students prior to **20-08-2020**, here after those colleges have to follow University instructions strictly and to conduct online classes to all the students regularly and upload the attendance particulars to the Campus Medicine URL link every day through the login ID and Password which was provided to the colleges by the Campus Medicine team.
