## Some of the Dissertations' topics previously submitted *for reference only*

Sl.No.	SUBJECT	TOPIC	YEAR
1	Anatomy	A gross and histological study of fetal thymus at different weeks of gestation	2008
2	Anatomy	A hospital-based study of common cancers at M N J hospital, Hyderabad	2010
3	Anatomy	A metrical study of the human mandible in adults	2005
4	Anatomy	A normal study of extra hepatic biliary apparatus in human (Cadavers)	2009
5	Anatomy	A study about position and blood supply of caecum and vermiform appendix in fetuses and cadavers	2008
6	Anatomy	A study of congenital anomalies of heart	2008
7	Anatomy	A study of gross and histological structure of thymus gland in foetuses	2006
8	Anatomy	A study of gross features of foetal caecum and appendix	2007
9	Anatomy	A study of incidence of neural tube defects in the dead foetuses	2007
10	Anatomy	A study of renal artery variations in cadavers	2006
11	Anatomy	A study of Sciatic Nerve Division Variations in Cadavers	2006
12	Anatomy	A study of the human thyroid gland (Including its variations and anomalies)	2005
13	Anatomy	A study of the morphological features of the human thoraco abdominal diaphragm in foetuses of various gestational stages	2006
14	Anatomy	A study of the thoracic part of the sympathetic trunk in adult cadavers and dead foetuses	2010
15	Anatomy	A study of variations in the external features of stomach	2010
16	Anatomy	A study of variations in the position of caecum and vermiform appendix	2009
17	Anatomy	A study on gross features of extra hepatic biliary apparatus and anomalies	2008

Sl.No.	SUBJECT	TOPIC	YEAR
18	Anatomy	A study on placental vasculature	2007
19	Anatomy	A study on variations of gallbladder and its blood supply	2009
20	Anatomy	Abdominal aorta and origin of its branches	2009
21	Anatomy	Abdominal arteries in foetus	2004
22	Anatomy	Anatomical study of median nerve	2010
23	Anatomy	Anatomical study of spleen	2010
24	Anatomy	Anatomical study of vermiform appendix	2009
25	Anatomy	Anatomy and arterial supply of the left kidney and ureter	2010
26	Anatomy	Anatomy of the human caecum and vermiform appendix (A study of their variations and anomalies)	2004
27	Anatomy	Anatomy of the human extra hepatic biliary apparatus	2009
28	Anatomy	Anatomy of the human thoracic duct	2009
29	Anatomy	Anthropometric study of femur in Krishna (Dt.), A. P. region	2009
30	Anatomy	Anthropometric study of human skulls	2006
31	Anatomy	Arterial supply of heart	2008
32	Anatomy	Arterial supply of the heart	2010
33	Anatomy	Arterial supply of vermiform appendix	2009
34	Anatomy	Arterial supply to spleen	2009
35	Anatomy	Arterial supply to the thyroid gland in human	2007

Sl.No.	SUBJECT	TOPIC	YEAR
53	Anatomy	External carotid artery and its variations - A study of 'Morphometric & Topographic analysis'	2008
54	Anatomy	Gross anatomy and blood supply of large intestine in foetuses	2010
55	Anatomy	Gross anatomy of spleen and its intrasplenic ramification of splenic artery	2007
56	Anatomy	Histological methods of staining	2007
57	Anatomy	Incidence of congenital mal formations in the new borns in the Government	2006
58	Anatomy	Internal iliac artery branches and variations	2006
59	Anatomy	Kidney-variations in position, and blood supply	2006
60	Anatomy	Left axillary artery and its branches	2007
61	Anatomy	Morphological and histological study of the human thymus in prenatal and postnatal periods	2005
62	Anatomy	Morphological study and comparison of lumbrical muscles in hands and feet	2006
63	Anatomy	Morphology and arterial pattern in spleen and its role in partial splenectomies	2007
64	Anatomy	Morphology and histology of submandibular salivary gland in adults and foetuses	2012
65	Anatomy	Morphology and histology of thyroid gland in adults and foetuses	2010
66	Anatomy	Morphology and histology of thyroid gland in adults and foetuses	2010
67	Anatomy	Morphology and morphometric study of the valvular complex of human heart	2008
68	Anatomy	Morphology of abdominal aorta including variations, changes in the diameters of abdominal aorta at various levels	2009

# Dr.NTR UNIVERSITY *of* HEALTH SCIENCES

## Some of the Dissertations' topics previously submitted *for reference only*

Sl.No.	SUBJECT	TOPIC	YEAR
69	Anatomy	Morphometric analysis of papillae of adult and foetal human tongues	2010
70	Anatomy	Morphometric study of cardiac orifices - An echo cardiographic study	2006
71	Anatomy	Morphometric study of spleen and splenic artery distribution	2007
72	Anatomy	Morphometric study of vermiform appendix and blood supply	2010
73	Anatomy	Movements of fingers	2008
74	Anatomy	Non metric variations of human skull	2019
75	Anatomy	Prenatal study of cerebral sulci in human foetuses	2007
76	Anatomy	Problem solving for better health: Comparative study of Anthropometric parameters in under 5yrs age group in different socio-economic status	2010
77	Anatomy	Profunda femoris arteries and branching pattern	2009
78	Anatomy	Radial artery and its branching pattern	2010
79	Anatomy	Radiographic study of ossification of carpal bones	2002
80	Anatomy	Regional anatomical study of pancreas	2005
81	Anatomy	Renal arteries and its branching pattern	2008
82	Anatomy	Right external carotid artery and its branches	2005
83	Anatomy	Right subclavian artery and its branches	2007
84	Anatomy	Second trimester termination of pregnancy with tablet misoprostol	2000

# Dr.NTR UNIVERSITY *of* HEALTH SCIENCES
