Lr.# Webinar/Library/2020

23rd June, 2020

To

The Principals of Medical Colleges.

Sir/Madam

Sub: NTRMEDNET Consortium & Digital Library – Online Training Sessions to access E-Journals, E- Books etc on www.ntruhselibrary.in website.

This University is continuously striving to impart knowledge in different modes to PG Students, Faculty and Researchers and making them to avail the said facilities extended by the University.

In this context it is to mention that the agencies engaged in these programs are conducting WEBINARS to the said target audience to get acquaint with the available resources on the support platform.

Response to the webinars is good. **Some of the Faculty and Students are requesting to conduct more training** webinars as either they missed or unable to access the platform to understand the material available of **ELSEVIER**.

As such to give more information about accessing the material some more Training sessions through webinars are proposed for PG Students, Faculty and Researchers of Medical.

*Due to this Pandemic and current lockdown situation, we are **unable to conduct Live training sessions at Medical Colleges. Hence, online training sessions are proposed to conduct for all Medical colleges as per the schedule.***

Please communicate this online training schedule to all the TARGET AUDIENCE, Librarians and see that they participate and utilize the facility.
